Miss Fannie Sawyer, of Los Angeles, arrived in Kingman last Sunday and will visit relatives a couple of months.

There was born to the wife of Orrin Gruniger, last Saturday morning, in Kingman, a baby girl.

James Uncapher, owner of rich mining property at Mineral Park, was a Kingman visitor this week, having come in from his camp to look after litigation before the court.

William O'Dea, who has been laid up with rheumatism for some time past, departed to San Jacinto Thursday night, where he will take the baths in hope of regaining his health.

Mrs. Faris, wife of E. E. Faris, a mining man, died in Kingman yesterday morning. The body was prepared for shipment to her old home in Washington, Kansas, and was accompanied by the bereaved husband and infant child.

The board of supervisors concluded to open up the county hospital and this week engaged the services of J. M. Miller and wife to look after the poor farm. All the patients will be removed to the poor farm and the place put in shape to care for them in the best possible manner.

Chief Justice Edward Kent presided over the April session of the District Court this week. It was his first appearance in Kingman and he expressed himself well pleased with the town and people. He was also agreeably surprised with the lack of criminal business before the court, there being but one felony case on the docket and that lacked the element of criminality, the defendant being discharged after a mistrial by the jury. While there were a number of important civil causes on the docket a quite thorough cleanup of the docket was made.

The services for Easter Sunday, April the 11th, at the M. E. church are as follows: Sunday school, 10:30 a. m.; Baptizing of children, 11:30 a. m.; Epworth League, 6:45 p. m.; Preaching, 7:45 p. m. Subject, The Resurrection of Christ. The choir is preparing two special Easter anthems for the evening preaching services. You are cordially invited to attend all these services. T. R. RAGSDALE, Pastor.

New Territorial Officials.

Last Thursday the name of Richard E. Sloan, of Prescott, was sent to the senate for confirmation as governor of this territory, and that of George U. Young, of the same place, as secretary. Governor Sloan is known to all the people of the territory, having presided over the courts in the south part of the territory many years ago and having been presiding judge of this district the past eight years. He has possibly more friends than any other man in public life in the territory today and he goes into the governor's chair with the best wishes of the whole people. In retiring from the governor's chair Joseph H. Kibby has the satisfaction of knowing that he has been one of the best governor's the territory of Arizona has ever had and that the unbiased citizens of the territory, of every shade of political belief, will regret to have him superseded.
